7. Notes for Lifetime ISA investors

You can use funds from your Lifetime ISA to buy your first residential property:

- with other purchasers who may or may not be first time purchasers. There is no limit under the legislation relating to the Lifetime ISA on the number of individuals who can buy a single residential property;
- as joint owner with another person who may already own the property;
- as joint owner with one or more individuals who will also use funds held in their own Lifetime ISA or Help to Buy ISA.

You must:

- purchase a legal interest in land with a loan taken as a charge over the property i.e. a mortgage but not a 'buy to let' mortgage;
- on completion of the purchase immediately occupy the land as your only or main residence;
- on completion of a partially completed dwelling occupy it as your only or main residence.

If you are a UK Crown employee serving overseas (e.g. a member of the armed forces serving abroad), or their spouse or civil partner, you may purchase the property by means of a 'buy to let' mortgage, on the understanding that you will occupy the property as your only or main residence on your return to the UK.

The amount withdrawn from your Lifetime ISA must be less than the purchase price of your first residential property.

The maximum purchase price of £450,000 applies irrespective of whether it is a sole or joint purchase.
