Child Trust Fund

Terms and Conditions

Terms explained

Account

The OneFamily Child Trust Fund.

CTF

A Child Trust Fund managed in line with the Rules & Regulations.

CTF provider

A firm authorised by HMRC to provide and manage Child Trust Funds, in this case Family Equity Plan Limited or Engage Mutual Funds Limited.

If you invest in the OneFamily Stockmarket 100 Trust, your CTF provider will be Engage Mutual Funds Limited. For all other funds, it will be Family Equity Plan Limited.

Dealing Point

The next available point we're able to buy or sell units or shares in your investment fund.

FCA

The Financial Conduct Authority.

Fund

Investment funds are a way to invest in individual holdings such as different shares, bonds, or cash. When you invest in a fund yours and other investors money is put together and the total is divided across all the individual holdings that the fund invests in. This allows you to invest in many more individual holdings than you could alone.

Funds are designed with specific objectives and each one will invest in different ways.

It's important to remember that the performance of investment funds is not guaranteed. This means the value of the account can go up as well as down, so your child could get back more or less than has been paid in.

Fund Manager

All investment funds are managed by an investment company. Often a fund manager will pick the individual holdings (such as shares, bonds or cash) in response to the fund's objective.

HMRC

His Majesty's Revenue & Customs.

Investments

Any money paid into or withdrawn from the OneFamily CTF will buy or sell units or shares in your investment fund.

The price of these units or shares can rise as well as fall. Investment prices are published each working day on our website at **onefamily.com/daily-prices**.

PRA

Prudential Regulation Authority.

Regulations

The Child Trust Fund Regulations 2004 as amended from time to time.

Rules

The FCA or PRA Handbook of Rules and Guidance as amended from time to time.

Subscription year

The period from your child's birthday up until the day before their next birthday.

Switch / Switching

You may have the option of changing your investment fund choice.

We/Us/Our

Family Equity Plan Limited or Engage Mutual Funds Limited trading as 'OneFamily'.

OneFamily is a trading name used by all companies within the Family Assurance Friendly Society group, including Family Equity Plan Limited, Engage Mutual Funds Limited and Family Investment Management Limited.

Working Day

Business hours on any day which is not a Saturday, Sunday or English public (Bank) holiday.

You/Your

The person applying for the CTF who will become the 'Registered Contact'.

Welcome to OneFamily Child Trust Fund

Carefully read all the sections of this document.
Then keep it safe so you can refer to it in the future.

Tax	14		

1. Introduction

These Terms and Conditions, together with your application and investment fund's Key Information Document or Key Investor Information Document, sets out the contract between you and us.

If we change these Terms and Conditions, we will let you know in line with section 26. 'Changes to the funds or these Terms and Conditions'.

A OneFamily CTF can only be opened by transferring from another CTF.

When you transfer to a OneFamily CTF you will have a choice of investment funds to pick from. Any money paid into or withdrawn from the OneFamily CTF will buy or sell units or shares (investments) in your investment fund.

Throughout this document, we will refer to the OneFamily CTF as an account and your investment fund as a fund.

2. Law and language

The account, its management and its administration are governed by English Law.

The information in this document is based on our understanding of current law (including tax law), the Rules & Regulations, and FCA and HMRC guidance. These could change in the future and could affect the benefits of the account.

3. Eligibility

You can open a OneFamily CTF if you are aged 16 or over and have parental responsibility for your child. You will be known as the 'Registered Contact'.

Your child is eligible for a OneFamily CTF if they:

- Are transferring an existing CTF to us
- Are not a US person*

*The OneFamily CTF is not available to children that are US persons. This includes US citizens or those resident in the US for tax purposes.

If your child stops being eligible under any of the above criteria, you must let us know.

4. Accepting your application

We will accept your application on the working day it is received, unless:

- It is incomplete, and/or it is necessary to clarify information on the application; or,
- We need to ask you for proof of identity

5. Opening an account

The account will open when:

1. Your application has been accepted by us,
2. The cancellation period has expired, and
3. We have received a transfer value and transfer form from your existing CTF provider

If point 1 and 3 do not happen within 30 days of receiving your application, we will not open an account or invest any money in a fund. Any payments already made will be returned without investment growth within 4 working days of the end of the 30-day period.

Please see section 11. 'Transfers' for more information.

6. Cancellation period

Once we have accepted your application, you will have 14 days in which to cancel.

After we receive your cancellation request, we will sell any investments held and close the account on:

- The next available dealing point, or;
- The next available dealing point after all payments have cleared

whichever is later. We will transfer the proceeds within 4 working days after this.

If the transfer from your existing provider is complete, you can ask us to:

- Transfer the proceeds back to the original provider, if they choose to accept it; or,
- Transfer the proceeds to another CTF provider or Junior ISA provider (please see section 11. 'Transfers' for more information)

The proceeds transferred to another provider will reflect any gain or loss in the investment price of your fund.

7. The Registered Contact

The Registered Contact must be aged 16 or over and have parental responsibility for your child. This person will usually be the one who opened the account, and they are the only one who can give us instructions about the account.

Once your child is 16, they can choose to become the Registered Contact*. If they do, they cannot change it to anyone else.

*There is an exception for children that lack mental capacity. If you need further information about this, please contact us.

There can only be one Registered Contact at any time, however the Registered Contact can be changed with the permission of the existing Registered Contact.

The Registered Contact cannot stop anyone from making payments into the account.

8. Keeping up to date with the account and fund

Statements and valuations

We will send statements shortly before your child's 16th and 18th birthdays. We will also send a statement shortly before your child's other birthdays if there have been any payments made into the account in the previous subscription year.

A statement will show the value of the account, including payments made during the period.

By registering for an online account at **onefamily.com/log-in**, you can view your statements online, see the account's current value and access account information. It is important that you keep your details (in particular, your email address) up to date with us so we can continue to provide you with this service.

Statements will be addressed 'care of' the Registered Contact. If your child chooses to become the Registered Contact, after they turn 16, statements will be addressed to them.

Other information available to you

For more information about your fund, please refer to its Key Information Document or Key Investor Information Document, Factsheet and Prospectus.

9. Charges

There is a charge for managing the fund you chose to invest in. This is a percentage of the value of the account. Third party transaction costs involved in the day-to-day running of the fund may also apply.

The charges that you will pay and how we take these charges depends on the fund you choose. Details of the charges (along with estimates of any additional costs) can be found in the fund's Key Investor Information Document or Key Information Document, Factsheet and Prospectus.

Charges may change in the future. If we introduce a new charge, we will notify you in line with section 26. 'Changes to the funds or these Terms and Conditions'.

10. Payments

Payments can be made by:

- Direct Debit (from a UK bank or building society account in the payers' name)
- Debit card
- Direct credit (bank transfer)
- Standing order
- Cheque
- Transfer from an existing CTF

We may also accept payments sent to us via loyalty point scheme providers (please contact us for further details).

For full details on all payment methods available, please visit onefamily.com/pay.

When making a payment, you, or any other payer, must quote the correct OneFamily CTF number and your child's full name. If the correct details are not quoted:

- It may result in a delay in investing the payment
- We may not be able to allocate the payment to the account
- We may allocate it incorrectly to another child's account
- Under HMRC rules, any payments incorrectly allocated may have to remain in that account even after the error is discovered

Please note that we do not accept cash or cheques with a future date on.

We also do not accept cheques or cash paid over the counter at a bank or building society. This is because when a payment is made in this way, we may not receive the information we need to either correctly allocate the payment or to return it to the payer.

Any payments that cannot be allocated to an account or returned will be kept in a client money account (where no interest is paid) until we are contacted by you or the person who made the payment. For more information on how we hold cash in our client money account, please see section 23. 'Client money, designated investments, and fractional differences' for more information.

Any money paid into the account is considered a gift to your child and cannot be returned to you or the payer.

When payments are accepted and invested

Any money paid into the account will buy investments in your fund. The time between accepting a payment to investing it will depend on the payment method. Details of this are shown in the adjacent table.

*If the day a Debit card payment is authorised is a Sunday or an English public holiday, we will accept the payment the following working day.

Payment type	Day accepted	Day invested
Direct Debit	The day we receive the Direct Debit payment	The day the payment is accepted
Debit card	The day the payment is authorised by the payer's bank or building society*	2 working days after the payment is accepted
Direct credit (bank transfer) & Standing Order	The day we receive the payment	2 working days after the payment is accepted
Cheque	The day we receive, and date stamp the cheque	The day after the payment is accepted

We only accept and invest payments on working days, except for Debit card payments which are also accepted on a Saturday.

Payments received from a loyalty points scheme provider are usually received by bank transfer (see the table above for when these will be accepted and invested).

We only accept payments into accounts that are open. If the account opens later than the dates in the table above, then the day we accept the payment will be the date the account opens.

Payment amounts

Please see the Key Features for this information.

Payment limit

There is a maximum amount that can be paid into CTFs each subscription year. For current limits, please go to **gov.uk/child-trust-funds**.

Any part of the payment limit that is not used during the subscription year cannot be carried forward to the next subscription year.

If we receive a payment that takes the account over the payment limit within 14 calendar days of the end of the subscription year, we will not invest the payment (or the part of that payment that takes the account over the limit). Instead, it will be held and invested on the next available dealing point after the new subscription year. At any other time, we will reject any payment (or the part of that payment) that takes the account over the limit and return it.

If you transfer your child's CTF to a Junior ISA, any part of their CTF payment limit that is not used will be lost when the transfer takes place. It will still be possible, however, to invest up to the full Junior ISA payment limit in that tax year, regardless of when the transfer takes place.

Returning payments

We may have to return a payment in full or in part in any of the following circumstances:

- The CTF number and/or child's full name have been quoted incorrectly when the payment was made
- The payment limit has been reached
- We have been advised by HMRC to void (cancel) a payment or void (close) the account
- When the account is cancelled
- The account does not have a Registered Contact listed (e.g. if someone without parental responsibility for your child opened the account, we would need a new Registered Contact to be listed before we accepted any further payments)
- We receive a payment on or after the working day we've received a valid transfer out instruction from another provider
- Your child has reached the age of 18

If any of the above happen before the payment has been invested, we will return the money to the payer. If we do not have the payers' contact details, we will return it to them 'care of' the Registered Contact.

If the payment has already been invested, who we return the payment to depends on why it is being returned:

- Where we must void an account or payment(s), this money will be returned to your child
- Where an account has been cancelled, the money will be returned to the Registered Contact
- Where an oversubscription is identified, HMRC will advise us on how the payment should be dealt with

The value returned, in the above scenarios, will reflect any gain or loss in the investment price of your fund. If there has been investment growth, this may be subject to tax.

Payments will not be returned until they have cleared (please see section 13. 'Withdrawals and closing the account' for more information). Once a payment is ready to be returned, we will return it within 4 working days.

11. Transfers

A CTF can be transferred to another CTF or a Junior ISA. They can be transferred between providers if the provider accepts transfers.

The existing and new accounts must be held in your child's name, and you must be the Registered Contact.

While transferring, there could be a time where the value does not have potential for growth or earn any interest (e.g. if the transfer value is sent between providers by cheque).

Transfers from another providers CTF to the OneFamily CTF

Transfers can be made into the OneFamily CTF from an existing CTF (cash or stocks and shares).

To open an account with a transfer, please complete a Transfer Application Form. The transfer must be for a minimum amount. Please see the Key Features for information on the minimum amount.

We will request the transfer value from your existing provider on the working day after we have accepted your application and the cancellation period has expired.

We will use the transfer value to buy investments in your fund on the next available dealing point after the transfer value and a valid Transfer History Form are received from your old provider.

We do not accept in-specie transfers (transferring a stocks and shares account without selling the investments).

Transfers from a OneFamily CTF to a OneFamily Junior ISA

To transfer from a OneFamily CTF to a OneFamily Junior ISA, please complete a Transfer Application Form. Please see our website or contact us for this form.

The Junior ISA will open on the working day we receive and accept your Transfer Application Form.

The CTF will close as soon as all the investments have been sold and/or the money has been transferred.

We will sell your investments on:

- The next available dealing point, or;
- The next available dealing point after all payments have cleared

whichever is later.

We will use the transfer value to buy investments in your fund on the next available dealing point after that. If you choose the same fund, we will make sure you are not financially disadvantaged by the transfer.

Transfers from the OneFamily CTF to another provider's CTF or Junior ISA

To arrange a transfer, you will need to contact your chosen new CTF or Junior ISA provider and transfer all the money in the account.

After we receive a valid instruction from the new provider, we will sell your investments, and close the account on:

- The next available dealing point, or;
- The next available dealing point after all payments have cleared

whichever is later. The transfer value will be sent to the new provider within 4 working days after this.

Any active Direct Debits will be cancelled. If we receive a Direct Debit payment on or after the working day we receive the transfer instruction, it will not be invested. Instead, it will be held and transferred to the new provider as part of the transfer value.

Any payments by other methods received on or after the working day we receive the transfer instruction will not be accepted and will be returned to the payer.

We will send you a final statement as at the date of transfer.

12. Switching between funds

You may have the choice of switching between funds. This is subject to other funds being available in the account at the time of the switch.

Once we receive your instruction, we will sell your investments in your current fund on:

- The next available dealing point; or
- The next available dealing point after all payments have cleared

whichever is later.

Investments will then be bought in your new fund on the next available dealing point. Please note, cancellation rights do not apply on switches.

We will not charge you for switching. However, we reserve the right to limit the number of times you may switch in any calendar year.

13. Withdrawals and closing the account

Only your child can withdraw money from the account and only after they have reached the age of 18. The only exceptions to this are if your child is terminally ill or if your child has died, please see the 'Withdrawals in exceptional circumstances' section below for more information.

When payments are accepted, they require a number of days to clear before they are available for withdrawal. Before we process a withdrawal, all payments must be cleared. Payments will clear and be available for withdrawal as follows:

Payment type	Days
Direct Debit	3
Cheque	2
Debit card	0
Direct credit (bank transfer)	

Please note, we only accept withdrawals on a working day.

Withdrawals at age 18

For details about what happens to the CTF after / at age 18, please see the Matured CTF Terms and Conditions document. The latest version can be found at onefamily.com/child-trust-fund/terms-and-conditions/.

Withdrawals in exceptional circumstances

Terminal illness

If your child is terminally ill, withdrawals can be made. HMRC will provide you with a confirmation letter, which we will need you to send to us. Further information can be provided by contacting us or on HMRC's website at gov.uk/child-trust-funds.

Death

On death, the account's tax benefits will stop, and the value of the account will form part of your child's estate.

The value of the account will be subject to fluctuations in value until we sell the investments.

After we receive all the documents we have requested, including proof of your child's death, we will sell the investments and close the account on:

- The next available dealing point, or;
- The next available dealing point after all payments have cleared

whichever is later. A payment will be sent within 4 working days after this.

Any investment growth after the date of death until the date of settlement will be subject to tax. It will be the responsibility of your child's personal representatives to report any tax liability to HMRC and/or to include it on your child's tax return, if appropriate.

Closing the account

We will close the account:

- On or after your child's 18th birthday if they ask us to sell all their investments
- On transfer to another provider
- If HMRC tell us to void (close) the account
- On death of your child (see the 'Death' section above for more detail)
- If a terminal illness claim has been accepted by HMRC and all the money in the account has been withdrawn

14. Tax

Tax can have an impact in two different ways, on the fund and on you, as an individual taxpayer.

The following is based on our understanding of current UK tax law. If the law changes, and this means that the fund will be taxed more, the potential growth of the account's value will be reduced. The tax advantages of CTFs depend on your and your child's circumstances.

There may be other taxes that are not paid through us or imposed by us. If you are not sure about your tax position, you should talk to HMRC or seek professional advice.

Tax payable by the fund

The income of the fund is subject to Corporation Tax. Capital gains in the fund are, however, exempt from Corporation Tax.

Tax payable by your child

The proceeds of the account are free from Income Tax and Capital Gains Tax. Please see the 'Death' and 'Returning payments' sections for some exceptions to this.

15. Data protection

Family Equity Plan Limited or Engage Mutual Funds Limited will hold your and your child's personal data in line with our Privacy Notice. The full version is available here **onefamily.com/privacy**. It explains your rights and how we use the data. A copy is also available by;

- Writing to OneFamily, 16-17 West Street, Brighton, BN1 2RL;
- Contacting us on 0344 8 920 920 or,
- Emailing **customerservices@onefamily.com**

16. Security

It is your responsibility to:

- Keep us up to date with any changes to your personal details, and take reasonable steps to ensure arrangements for receiving mail at your address and by email are secure
- Keep the account information secure
- Check statements carefully and tell us promptly if you think it contains any errors
- Tell us promptly if you think we have made any other mistake in operating the account
- Tell us immediately if you know, believe, or suspect that the security information we have recorded for you or your details have been compromised, or if you believe that an unauthorised transaction has been made

If you act fraudulently or without reasonable care, you may be responsible for any losses incurred as a direct result.

Instructions about the account

All instructions sent to us in writing must be signed.

We reserve the right to refuse any instruction or request about the account if we have reason to believe that:

- It was not made by the Registered Contact
- It might cause us to break the law
- The account is being used for illegal purposes

If we receive an instruction that contains unclear or insufficient information, we will contact the Registered Contact for clarification.

We will not act on any instruction until we receive any additional information that we feel is necessary to make sure the instruction is processed correctly and in line with these Terms and Conditions.

Proof of identity

We may need to verify the identity of:

- You
- Your child
- Anyone paying into the account

We may use a credit reference agency when doing this. This will be a soft check and will not affect your credit score.

If we do not receive adequate identification when we ask for it, we reserve the right to refuse to:

- Open a new account
- Accept payments
- Release the proceeds of the sale of any investments held

17. Ownership

Your child will always be the beneficial owner of the investments, and this cannot be changed. The account cannot be assigned to a third party or used as a security for a loan.

Payments into the account are used to purchase investments in your chosen fund, for which certificates of title are not issued.

Depending on which fund you chose, the title to the investments will be registered in the name of:

- A non-trading nominee company controlled by us; or,
- The provider's nominee company

As a result, the entitlement of each individual investor will not be identifiable on the fund's register.

18. Errors and compensation

Administration errors

Where there is an error which affects only one person, we will only pay compensation where the financial loss incurred by that person is calculated to be £1 or more at the time of the error.

Fund pricing and dealing errors

Where a pricing or dealing error has occurred which affects the investment price by less than 0.1%, compensation would not normally be paid.

Where a pricing or dealing error occurs which affects the investment price between 0.1% and 0.5%, compensation may be considered.

Where a pricing or dealing error occurs which affects the investment price by more than 0.5%, compensation will be paid.

Compensation

Compensation may be paid to the fund, account or to individual account holders in response to an error we have made that has resulted in a financial loss whether the affected person has complained or not.

Where compensation is by means of a cash payment (e.g. paid directly to you), no compensation would normally be paid unless the amount due is £10 or more.

Wherever possible we attempt to calculate any compensation payments consistently in line with guidance provided by the Financial Ombudsman Service.

19. Conflicts of interest

We will manage any conflict of interest in line with our Conflicts of Interest Policy which can be found on our website at onefamily.com/our-story/company-information/.

We aim to run our business so that conflicts of interest do not arise. However, we have in place a Conflicts of Interest policy to help us identify and record any actual or potential conflicts that may arise between our customers, us, our employees, our funds, our associated companies and/or any companies to whom we delegate any of our functions.

A summary of this policy is detailed below:

- We will consider the interests of all our customers and treat them fairly
- We have in place procedures to make sure that employees identify and report any new conflicts
- We will keep a written record of any conflicts, or potential conflicts if appropriate
- We will disclose any relevant conflict to a customer before undertaking business with that customer
- We will carry out regular reviews to identify any new conflicts

In the unlikely event that a conflict of interest occurs, we will manage it to make sure that all customers are treated consistently and fairly and to minimise any possible negative effect this could have on our customers.

Our full Conflicts of Interest policy is available on request.

20. The CTF provider

We, as the CTF provider, reserve the right to appoint any person to advise on, or perform, any of the functions or responsibilities under these Terms and Conditions. We may provide details of the account to any such person when necessary, so that they can carry out the delegated function or responsibility.

We will always remain responsible for the operation of the CTF and will make sure that any person to whom we delegate any of our functions or responsibilities is competent to carry them out.

We may resign or retire as CTF provider. If we do this, we will transfer our functions and responsibilities as CTF provider to another CTF provider who has been approved under the relevant Rules & Regulations. If this happens, we will provide you with at least 30 days' notice. Any new CTF provider replacing us will be responsible to you for carrying out all our duties and obligations and we will be released from all of those duties and obligations.

21. Customer categorisation

As a CTF holder, and in line with the FCA's requirement for us to categorise all customers, we will categorise you as a 'retail client' affording you the highest level of protection available within the Rules & Regulations.

22. Corporate governance and membership

OneFamily is the trading name for a group of companies which includes Family Equity Plan Limited or Engage Mutual Funds Limited (your CTF provider), and the friendly society (a type of mutual insurer), Family Assurance Friendly Society Limited (Family Assurance).

On opening an account, your child becomes a member of Family Assurance.

We are committed to complying with the UK Corporate Governance Code as relevant to mutual insurers. The Code sets out good practice standards in terms of how we manage the company as well as the rights of our customers.

We believe that it is important for our directors to listen to the views of our customers and understand how they affect the running of our business. We invite you to talk to our directors and take an active interest in the governance of Family Assurance, on behalf of your child.

For more information, go to the 'Member' section on onefamily.com/company-information/membership/. You can also email feedback to members@onefamily.com, or write to: Member Relations Team, OneFamily, 16-17 West Street, Brighton, East Sussex, BN1 2RL. These contact details should not be used for enquiries about your child's account.

23. Client money, designated investments, and fractional differences

Fractional differences

Your investments are held in a nominee company pooled together with other investors' units or shares. When you buy or sell investments, we will combine your request with those of other investors to buy or sell investments in one large bulk order. This means that any investments and money we receive will be allocated proportionately based on your individual request.

Investments or money allocated to the account may be rounded up or down to the nearest whole penny or to the nearest fraction of a share or unit, as recorded on our systems. Rounding may result in a minor loss or gain to your investment holdings or amount invested/received, so sometimes you may be slightly advantaged or disadvantaged in relation to a particular request. Where the effect of rounding individuals' investments or money results in a surplus or shortfall against the combined requests, we will keep any surplus or make good any shortfall.

Client money and designated investments

Any uninvested cash held on your behalf (e.g. money awaiting investment or the proceeds of encashment) will be held in a specific client money bank account with one or more approved banks, separate from our money in accordance with the FCA's client money rules.

If the bank we have chosen to hold your money becomes insolvent, we will have an unsecured claim on behalf of all of our clients regarding the client money bank account. This means that you will share proportionately in any shortfall with other creditors of the credit institution or bank. If you have a shortfall, you may be eligible for compensation under the Financial Services Compensation Scheme (FSCS). If we were to become insolvent and there's a shortfall in the client money account, any losses will be shared proportionately across all our customers with money in that account in accordance with Client Money Rules. Again, you may be entitled to compensation under the FSCS.

We will exercise all due skill, care and diligence and will periodically (usually annually) review the adequacy and appropriateness of any bank selected to hold your money, in accordance with FCA Rules. We will otherwise not be liable for any losses arising from any acts or omissions of the bank in connection with the client money account resulting from the bank's negligence, wilful deceit, or fraud.

We may transfer client money to a third party as part of transferring all or part of our business. We will make sure that all necessary obligations will be met by us.

You will not receive interest on any money held in a client money account.

If, for whatever reason, payments made to you remain unclaimed and there has been no movement on the account, we will hold that money for a period of at least six years during which time we will make reasonable attempts to contact you in accordance with FCA Rules. After six years we may make further efforts to contact you and let you know that we no longer intend to continue to hold the money and intend to transfer it to a registered charity of our choice unless you let us know what you would like us to do with it. If we receive no response, we shall be entitled to no longer treat that money as client money in accordance with FCA Rules and shall pay it to charity. If you subsequently make a valid claim for the money, we will still pay it to you. Any unclaimed money will no longer be protected by client money regulations.

We may use third party custodians to hold investments. These will be held in the name of our nominee company or another third-party custodian nominee. Any investments held on your behalf may be pooled with those investments of other clients. This means that your entitlement may not be individually identifiable on the relevant third party's electronic records (other than ours, where they will be identifiable) and, in the event of an unreconciled shortfall caused by the default of a third party, you may share proportionately in that shortfall.

If we identify a discrepancy between our records and those of a third party which indicates a shortfall in your investments, and we are unable to rectify that discrepancy promptly, we will segregate an equivalent amount of our own money as client money in order, to rectify the shortfall until the discrepancy is corrected.

Unclaimed custody assets

In the event that there is no movement over the Account, following the child reaching 18 years of age, for a period of 12 years (apart from any asset servicing discretion exercised by us in the absence of instructions from you) and we are unable to contact you having made reasonable attempts to do so, we may transfer the holding, or the liquidation proceeds thereof, to a registered charity. In these circumstances we will still be liable to pay these balances to you on presentation of a valid claim.

24. Best execution

We are required to take all reasonable steps to obtain the best possible result for you when executing your instructions to buy or sell investments, taking into account price, cost, speed, likelihood of execution and settlement, size, nature, or any other relevant consideration. This obligation is known as the duty of 'best execution'.

We operate a best execution policy that aims to ensure that we carry out your investment instructions as effectively and beneficially as possible. This means that when you ask us to buy and sell your investments, your instructions are always passed directly to the Fund Manager who will carry them out while adhering to the Terms and Conditions outlined in this document.

We do not use third-party 'trading platforms' to execute your instructions. All trading is done directly with the Fund Manager, which, in regulatory terms, means that the trades are executed outside of a regulated market or multilateral trading facility.

We monitor the effectiveness of our best execution policy regularly and implement any necessary changes when required. If there are any relevant material changes, we will notify you.

25. Liability

If, having made reasonable attempts to do so, we cannot provide services because of something beyond our control (including strikes, industrial action, or the failure of equipment or power supplies), we will not be liable to you for any loss that you may suffer as a direct result.

We have no liability for any action we have taken, or not taken, in good faith unless there has been negligence by us. This does not restrict or exclude any liability that we may have by law or under the Rules or Regulations.

26. Changes to the funds or these Terms and Conditions

We can make a change to the Terms and Conditions but only for one or more of the following reasons:

- To make the Terms and Conditions easier to understand, fairer, or to correct mistakes
- To enable us to comply with the law (including tax law), or the Rules & Regulations, or to relevant industry guidance or codes of practice, or to respond to a decision or recommendation of any court, ombudsman, or regulator
- To enable us to make reasonable changes to the way we manage the account or your fund(s), because of changes in technology or in the systems we use

- To increase a charge or charges (or to introduce a new charge) to reflect an increase in the costs in running the fund(s), or in providing account services to you; or
- To improve the service to you or make the service, or the running of the fund(s), more efficient or cost effective.

Changes to the fund(s), or a change of fund(s) may also be made for the following additional reasons:

- To try and improve the fund(s)', or the account's, prospects for growth
- To change the risk profile to try to reduce the risk that investors in the fund(s) are exposed to; or
- To change the fund manager, where the objective of the fund is not altered

Any change to the fund will be made in line with the Rules & Regulations.

If we make a change to the Terms and Conditions which is to your or your child's disadvantage, we will notify you at least 30 calendar days before we make the change. Where this is not possible, we will notify you as soon as is practicable.

We will not necessarily inform you if we make changes that are not to your detriment. However, we will communicate relevant updates to you.

We will not make any changes that might break the Rules & Regulations for CTFs.
