

Errata Notice

Annual Report 2024

We wish to clarify an error in the 2025 remuneration opportunity graphs for current executive directors presented on page 75 of the 2024 Annual Report. The figures in the graphs do not accurately reflect the intended remuneration structure for 2025 due to an error in the data and calculation.

We are committed to transparency and accuracy in our reporting, and a corrected version of the graphs is presented below.

We apologise for any confusion this may have caused and appreciate your understanding.
