**Investment Objective**

To prioritise income, with the aim of exceeding the yield of the FTSE 250 Mid-Cap Index, together with capital growth over the longer term, five years or more. The Manager will seek to achieve the investment objective by investing in a mix of equities, fixed-interest securities and cash equivalents. The Fund will maintain a bias towards equities of 60 – 85%.

Past performance should not be seen as a guide to future performance. The value of an investment and the income from it can fall as well as rise as a result of market and currency fluctuations, you may not get back the amount originally invested. This factsheet should not be interpreted as financial advice. If you are unsure which investment is most suited for you, the advice of a qualified financial adviser should be sought.

From 15 November 2021 the Higher Income Fund became the EdenTree Responsible and Sustainable Managed Income Fund.

Yield figures are as at 31/03/2022. Rounding may cause small differences in percentages included in this document.

*Past 12 months’ distributions as a % of midshare price, excluding preliminary charge.
**We compare the fund’s performance to the FTSE All Share Index, however the portfolio manager is not bound or influenced by the index when making investment decisions.
†AMC is charged to capital for all share classes of this fund which could constrain the potential growth of your investment.
