OneFamily Global Mixed Investment Fund Factsheet

Investment Objectives

The investment objective of the OneFamily Global Mixed Investment Fund is to provide growth over a 5 year period. There is no guarantee that growth will be achieved over this period, or over any specific time period. Capital will be at risk during the period of investment.

To achieve its objective the policy of the Fund is to invest at least 65% in fixed interest index tracking collectives and up to 35% in the OneFamily Global Equity Fund (OGEF). The fixed interest collectives will invest in constituents of the Bloomberg Barclays Global Aggregate Bond Index and the Bloomberg Barclays Sterling Corporate Bond Index. OGEF invests in constituents of the MSCI World Index and will not deviate significantly from that index.
